4 teams available for sponsorship!

Company name printed on shirts and advertised on the HTS website!

Call Wendy for more information

This is a great opportunity and experience for our younger athletes to have an essential role in our sports activities. The Super Squad Basketball Program gives the players skills and confidence needed for the Midget Basketball Teams. Our goal is to assist the players in learning positions, dribbling, passing, and shooting the basketball. We will strive to instill sportsmanship and build self-esteem for all that play.

Games are on Friday evenings only and will be played at The Holy Trinity School gym. Teams are co-ed and will first practice for 30 minutes and will then play a 30-minute game.

If your child is interested in being a player on a Super Squad Basketball Team, please fill out this form and return it to HTS office or CCD. HTAA will also be holding registrations after each Mass thru Sunday October 19, 2008. You may also contact

Wendy Flowers at 588-3431 or via email flowerwj@aol.com. **The registration fee is \$35.00.**

Please make checks payable to HTAA. No cash can be accepted.

The deadline for registration is October 19, 2008.
